

Go further, faster with a Master of Laws (LLM) at UWE Bristol

Why UWE Bristol?

Our LLM courses focus on independent research, critical reasoning and reflective study. You will be taught in small groups where you will be encouraged to analyse problems, debate issues and exchange views with a student cohort drawn from across the UK and around the globe.

Less than two hours from London, Bristol is an important commercial centre and a magnet for multinational, national and regional businesses and leading law firms, making it an excellent base from which to develop your career.

Improved career prospects

UWE Bristol LLM courses will provide you with an ideal opportunity to develop a specialism that will be attractive to employers in the legal world and beyond.

Excellent facilities

We have dedicated space for our LLM students, to the largest library in the South West of England and a wide range of electronic legal resources.

Quality teaching

You will be taught by experienced and highly qualified teaching staff who are passionate about their subjects.

Flexible study options

Full and part time options available. Choose from a Postgraduate Certificate, Postgraduate Diploma or Masters level qualification.
